Having been sensitively restored and converted in 2017, The Hayloft retains many of it's original rustic features. Beautiful beams create a stunning entrance and our outside courtyard provides a perfect additional space for your guests to enjoy a drink.

The main dining area is able to accommodate up to 100 guests for a sit down meal and 160 for an evening buffet and party.

Our upstairs rooms provide a dressing room and private area for the immediate wedding party
